Summary of meeting:

Medical Home: Creating awareness of Medical Home and its principles to improve care and optimize quality of life for children and youth with special health care needs and their families.

Where do we want to be in Two Years?

- Providers and Families can access an IN medical home website
- Training and communication about medical home will be provided by an Indiana team of MH consultants; schools, support groups and local community groups could be targeted.
- Providers can earn CME through online training.

Three Tasks:

- MH Brochure outline or draft – who are we targeting?
 - Providers
 - Practice Staff
 - Families
- MH Website outline or draft – What should we include?
 - What is a Medical Home?
 - List practices that are true medical homes.
 - Questions families can ask of a potential provider
- Determine incentives that will create buy-in for MH
 - CME
 - Training
 - Use MH billing codes to get reimbursed for these services

Members will communicate through emails and conference calls.
